ROSENDAL, HARDANGERFJORD

Historic village near Folgefonna Glacier

Rosendal is centrally situated in the Hardanger fjord, snugly placed between high mountains and beautiful valleys. The landscape around Rosendal attracts many visitors the whole year round. Most attractions in the village can be reached on foot, or one can experience splendid waterfalls and see part of the glacier by a bus trip to Sundal. The Folgefonn centre is located on the harbour and gives you the opportunity to learn more about the Folgefonna national park and the nature around Rosendal. The manor house from 1665, the Barony Rosendal is also close by, telling the unique history of this cultural institution.
